"...Our tour Guide was prompt, courteous, most adept at his job and extended to us what we refer to as real Hawaiian hospitality..."

"...This is a top quality tour, designed for those guests that want to do a different and unique tour..."

"...after taking SEVERAL different tours, it is still RARE that you feel totally and completely "pampered" at the end of the day. Great service, though, was clearly our guide's goal, and he absolutely achieved it!..."

"...had an extremely relaxing, educational and unique view of Maui. Were it not for the tour with you, I would have left the island with a purely touristic impression..."

"...We traveled on several tours on the island of Maui and yours was, by far, the best. A five star experience!..."

Achievement Awards

Temptation Tours is Maui's only Transportation Company to have ever been distinguished with the **Keep It Hawai'i Award** and in three different years, by the Hawai'i Tourism Authority.

Unique for 2006, Temptation Tours was the only activity supplier, in the State, recognized with the **Keep it Hawai'i Award** in the business category.

Each Business, Community Organization and Individual, on the major Hawaiian Islands, is invited to apply for this prestigious award.

Transportation Award Winner

The competition is great, due to the intense interest and number of applicants. The recognitions are awarded to those who have demonstrated a superior commitment to "honor and perpetuate the Hawaiian culture and community". The Hawaiian Cultural Program Advisory Council selects the awardees utilizing various criteria including authenticity, uniqueness, educational value and commitment.

THE VOTES ARE IN! TEMPTATION TOURS WINS! BEST VAN TOUR • BEST OVERALL

For the Favorite Van Tour category, Temptation Tours ran away with top honors.

MOST REFERRALS OVERALL

The big question was, "Which Activity do you Most Refer or Book overall, and why?" Some of your answers were general, citing a category, such as "snorkeling" and "lu'au." But, the activity company that came out on top overall was **Temptation Tours' Hana SkyTrek!** Owners Dave and Kathy Campbell were honored and humbled when they heard the good news:

"We want to first thank all the guest service professionals for this vote of recognition and confidence. It is the supreme honor to be chosen number one by the high caliber of men and women who work hands-on with visitors to Maui. Everyone at **Temptation Tours** shares in the winning of this Concierge Picks Award and congratulates all the participants."

The Hana Sky-Trek adventure is one of the best ways to get to know the beauty and drama of Maui. It combines a luxury Limo-Van ground tour with a Hana/Haleakala helicopter flight, courtesy of both Blue Hawaiian and Air Maui. An elegant picnic lunch is catered fresh daily by **Temptation Tours' own Paia Plantation**. Linen cloths and napkins, china plates, crystal and silverware are used for service on the beach. There are two ways to go: in the AM tour, you drive, dine and fly; in the PM tour, you fly, dine and drive. Each tour is about six hours in length, and includes a complimentary "Hana and Beyond" video to take home. The Sky-Trek began in 1989, and is going stronger than ever.

Message

To Temptation Tours 10th Anniversary of "Keep It Hawaii"

❖ Certificate of Merit Award ❖

Category: Transportation

April 10, 2001

Congratulations and best wishes to Temptation Tours for being a recipient of a Certificate of Merit Award in the *Transportation* category from the Hawaii Visitors & Convention Bureau (HVCB) on the 10th Anniversary of "Keep It Hawaii." Your hard work and dedication to the production of "Hana & Haleakala Winning Olympic Recognition" gives true meaning to the "aloha spirit," and creates a lasting memory of beauty, charm and warmth of Hawaii's people and our islands.

Temptation Tours, and its outstanding employees, are vital to the success of Hawaii's economic future. Your efforts to "Keep It Hawaii" provides the right incentive for *kama'aina* to take vacations at home, and demonstrates to visitors of our islands that people in Hawaii are willing to "go the extra mile" to make their vacations memorable. Those reasons provide the right strategies for HVCB to build upon to make Hawaii a premier vacation destination and ideal location to conduct business.

You inspire others in the tourism industry to strive for excellence. I join HVCB, and your family and friends in celebrating your achievements. Again, congratulations and *mahalo* for making a difference.
